NOTE: 6 actual requisitions and 8 memos and letters were received during the week which will require a contract or other action by the Contract Negotiators. Since in many cases, two or more of these documents may be consolidated into one action, these figures do not necessarily mean that 14 separate actions will be required. The figures above of contract action requests received, completed or pending are on this consolidated basis. The consolidations, cancellations, and transfers resulted in a net new contract action of 8. The number of contract documents increased by 1 from 99 to 100.
